Head of Mobility

Description

Countrywide Healthcare are the leading specialist non-food supplier to care homes. Based in Grimethorpe near Barnsley, the company provides a market leading service supplying an extensive range of PPE, nursing, housekeeping, and equipment products to care providers in all parts of the UK. The business has an unrivalled reputation and has enjoyed fantastic sales growth from £9.2m in 2014 to over £30m in our last financial year.

This summer we will be moving into our new National Distribution Centre, a 110,000sqft facility with a generous space for a Mobility Superstore. This is our first venture into the mobility sector, and we are looking to recruit a dynamic Head of Mobility to lead this project and run our new division.

Job Purpose

The role will include selection of products, working with our purchasing team to partner with key suppliers, liaising closely with our online team to manage the pricing and content of our new mobility webshop and recruiting and managing our mobility superstore team.

Key Skills Required

The successful candidate will have experience in the mobility sector, either working for a manufacturer or mobility store and will take responsibility for a budget and for the recruitment of a team to run the superstore. Strong organisational and communication skills and a good working knowledge of Microsoft Office are essential.

Job Benefits

The position comes with an attractive salary and company pension scheme.
